Attempted Abduction Investigation 18-20410

On Monday, September 17, 2018, at approximately 2:00 PM, Murfreesboro Police Officers responded to a call of an attempted abduction in the parking area of 2946 S. Church Street. The victim reported that three males attempted to get him into their truck, with one suspect actually grabbing his arm. The location where the incident allegedly occurred was outside the area of security camera coverage. During the incident, the victim reported that he pulled away from the suspect and ran into the store to seek help from his manager.

As a part of the investigation, the security footage of the parking area was reviewed and the victim was seen in a different area of the parking area from where the incident was reported to have occurred. Additionally, video footage showed that no one approached him during the time in question. The victim was interviewed by Detectives and stated the situation did not occur.

Charges are pending in this case for filing a false police report.
