In submitting this Bid, Bidder represents that it understands and accepts that: City will award the contract to the lowest responsible and responsive bidder; that City and its consultant will be the sole judge of the bids; that City reserves the right to reject any and all bids; that City reserves the right, but has no obligation, to waive errors or omissions in the Bid, and, that this Bid shall remain open for acceptance until July 1, 2014. The lowest Bid will be determined by the responses on the Bid Form. The rates provided for the Current Stop Loss Coverage (described in Section 3.4) as well as the other options (described in Section 3.5) will be considered. The City will elect to adopt the lowest bid for that option. The City reserves the right to choose whichever options it deems to be in its best interests.

In submitting this Bid, Bidder represents that it has carefully reviewed the ITB and understands it and that by submitting its Bid it is waiving any objection to the terms of the ITB. Bidder also understands that its Bid is a public record.

In addition to submitting this Bid Form, Bidder is submitting written responses to Sections 3 and 4 of the ITB as part of its Bid and is submitting its sample contract. Bidder agrees to promptly respond to requests for information or clarification that City or its consultant may deem necessary to interpret said responses.
