

Biking & Walking

Murfreesboro Parks and Recreation is home to a wonderful greenway system where you and your family can enjoy over 12 miles of paved trails that are perfect for biking, walking, or jogging.

The Stones River National Battlefield connects to the Murfreesboro Greenway System and is a great area for paved biking and walking trails that wind through this historical battlefield.

Murfree Springs Wetlands at the Discovery Center is a 25-acre city park with walking trails and a boardwalk that winds through the wetlands. This is a great area to bring your family for an easy but beautiful walk.
