

# Rice Krispies Treats

## Ingredients

1 small box Kellogg's Rice Krispies  
1 stick real butter  
16oz bag Kraft miniature marshmallows  
nonstick spray or nonstick pan

Using a 4-quart saucepan, melt  $\frac{3}{4}$  of a stick of butter over medium heat. Add marshmallows and stir constantly until melted and well blended. Add cereal (approx. 7 cups) and combine with marshmallow mixture. Spread in 9x13 non-stick pan and allow to cool. Serve!

\*Use warm water on your spoon to make it easier to spread the mixture into the pan.
