

**CITY OF MURFREESBORO EMERGENCY SOLUTION GRANT PROGRAM NOTICE
OF FUNDING AVAILABLE-**

Tennessee Housing Development Agency (THDA) has notified the City of Murfreesboro that it may receive an Emergency Solutions Grant of \$150,000.00 for the period of July 1, 2020 to June 30, 2021. The City must submit an application to THDA for the Set-Aside funding.

The ESG Program is designed to identify sheltered and unsheltered homeless persons, as well as those at risk of homelessness, and provide the services necessary to help those persons to quickly regain stability in permanent housing after experiencing a housing crisis and/or homelessness. Eligible project categories include funding for emergency shelter operations and essential services, street outreach, rapid re-housing and homelessness prevention.

ESG funds received from THDA are awarded by the City of Murfreesboro on a competitive basis to 501(c)(3) or 501(c)(4) non-profit organizations. Applicant organizations awarded funding must be non-profits, working throughout the Homeless Alliance of Rutherford County (HARC), the local Continuum of Care, providing services to homeless persons when their activities meet priorities identified by HARC. Applicant organizations must be entering data in the [Homeless Management Information System \(HMIS\)](#) unless exempted by federal statute or regulation. HARC has identified Emergency Shelter and the operation of the HMIS as the two highest priority needs for funding for the 2020 ESG Program. All agencies receiving Emergency Solutions Grant funding must sign a Subrecipient Agreement with the City and are required to submit periodic reports directly to THDA.

Eligible non-profit organizations are invited to complete and submit attached application by emailing to hglynn@murfreesborotn.gov for the City's 2020 - 2021 Solutions Grant Program. Deadline for applications is 12:00 PM Noon, March 17, 2020.
