AGREEMENT

This ***AGREEMENT*** is effective as of the ____ day of _____, 2021 (the “Effective Date”), and is between the City of Murfreesboro, Tennessee (the “Franchising Authority” or the “City”), and Comcast of Nashville II, LLC (the “Company”). For purposes of this Agreement, unless otherwise defined in this Agreement, the capitalized terms, phrases, words, and their derivations, shall have the meanings set forth in Appendix A.

The Franchising Authority has determined that the financial, legal, and technical ability of the Company is reasonably sufficient to provide the services, facilities, and equipment necessary to meet the current and future cable-related needs of the community and, as of the Effective Date, has reviewed the performance of the Company under the Prior Franchise and the quality of service during the Prior Franchise term and found the Company to be in material compliance. In addition to satisfying all the provisions of this Franchise Agreement, the Company shall continue to be bound by any previously accrued but unfulfilled obligations under the Prior Franchise with respect to payment of all franchise fees so long as any such issue is raised and the Company provided notice within 36 months after the Effective Date of this Franchise Agreement as contemplated in Section 4.1.4. The grant of this Franchise shall have no effect on any duty of the Company under the Prior Franchise to indemnify or insure the Franchising Authority against acts and omissions occurring during the period that the Prior Franchise was in effect. Except as required to carry out the intent of the previous sentences, as of the Effective Date of this Franchise Agreement, the Prior Franchise is superseded and is of no further force and effect, and the Franchising Authority and the Company mutually release each other from any claims each had, has, or may have against the other under the Prior Franchise. The Franchising Authority desires to enter into this Agreement with the Company for the construction, operation, and maintenance of a Cable System on the terms and conditions set forth herein. In consideration of the mutual covenants and agreements contained in this Agreement, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby covenant and agree as follows:

SECTION 1 GRANT OF AUTHORITY

1.1 Grant of Franchise. The Franchising Authority hereby grants under the Cable Act a nonexclusive franchise (the “Franchise”) to occupy and use the Streets within the Franchise Area in order to construct operate, maintain, upgrade, repair, and remove the Cable System, and provide Cable Services through the Cable System, subject to the terms and conditions of this Agreement. This Franchise authorizes Cable Service, and it does not grant or prohibit the right(s) of the Company to provide other services.

1.2 Term of Franchise. This Franchise shall be in effect for a period of ten (10) years commencing on the Effective Date, unless renewed or lawfully terminated in accordance with this Agreement and the Cable Act.

1.3 Renewal. Subject to Section 626 of the Cable Act (47 U.S.C. § 546) and such terms and conditions as may lawfully be established by the Franchising Authority, the Franchising Authority reserves the right to grant or deny renewal of the Franchise.

1.4 Reservation of Authority. Nothing in this Agreement shall (i) abrogate the right of the Franchising Authority to perform any public works or public improvements of any description, (ii) be construed as a waiver of any codes or ordinances of the Franchising Authority or of the Franchising Authority's right to require the Company or any Person utilizing the Cable System to secure the appropriate permits or authorizations for its use, or (iii) be construed as a waiver or release of the rights of the Franchising Authority in and to the Streets.

1.5 Competitive Equity and Subsequent Action Provisions.

1.5.1 Purposes. The Company and the Franchising Authority acknowledge that there is increasing competition in the video marketplace among cable operators, direct broadcast satellite providers, telephone companies, broadband content providers, and others; new technologies are emerging that enable the provision of new and advanced services to City residents; and changes in the scope and application of the traditional regulatory framework governing the provision of Video Services are being considered in a variety of federal, state, and local venues. To foster an environment where all Cable Service Providers and Video Service Providers using the Streets can compete on a competitively neutral and nondiscriminatory basis; encourage the provision of new and advanced services to City residents; promote local communications infrastructure investments and economic opportunities in the City; and provide flexibility in the event of subsequent changes in the law, the Company and the Franchising Authority have agreed to the provisions in this Section 1.5, and these provisions should be interpreted and applied with these purposes in mind. The parties agree that the Franchising Authority shall not be required to execute a franchise agreement or authorization with a competitive CSP or VSP that is identical, word-for-word, with this Agreement to avoid triggering the provisions of this Section 1.5, so long as the regulatory and financial burdens on and benefits to each CSP or VSP are materially equivalent to the burdens on and benefits to the Company. "Materially equivalent" provisions include but are not limited to: franchise fees and the definition of Gross Revenues; system build-out requirements; security instruments; public, education and government access channels and support; customer service standards; and audits.

1.5.2 Fair Terms for All Providers. Notwithstanding any other provision of this Agreement or any other provision of law,

(a) The Franchise and the right it grants to use and occupy the Streets shall not be exclusive, and the City reserves the right to grant other franchises for similar uses or for other uses of the Streets, or any portions thereof, to any Person, or to make any such use itself, at any time during the term of this Agreement; provided, however, the Franchising Authority agrees that, within ninety (90) days of the Company's request, the Franchising Authority shall amend this Franchise to include any material terms or conditions that it makes available to the competing CSP or VSP, or provide relief from existing material terms or conditions, to insure that the regulatory and financial burdens on each entity are materially equivalent.

(b) The Franchising Authority shall at all times enforce the state and federal ban on providing Cable Service without a franchise. The Franchising Authority's enforcement efforts shall be continuous and diligent throughout the term of this

Agreement. Should the Franchising Authority not commence enforcement efforts within sixty (60) days of becoming aware of a VSP or CSP providing Video Service or Cable Service within the Franchise Area, the Company shall have the right to petition the Franchising Authority for the relief provided in Section 1.5.2 above.

(c) This Section 1.5.2 shall not apply for VSPs or CSPs providing Video Service or Cable Service in the Franchise Area under a local franchise agreement or similar authorization granted prior to the Effective Date of this Agreement or under the authorization of the Tennessee Competitive Cable & Video Services Act of 2008 (T.C.A. § 7-59-301, *et seq.*).

1.5.3 Subsequent Change in Law. If subsequent to the Effective Date there is a change in federal, state, or local law that is applicable to Company and directly conflicts with the provisions of Agreement and that provides for a new or alternative form of authorization, for a VSP or CSP utilizing the Streets to provide Video Services or Cable Services to Subscribers in the Franchise Area, or that otherwise changes the nature or extent of the obligations that the Franchising Authority may request from or impose on a VSP or CSP providing Video Services or Cable Services to Subscribers in the Franchise Area, the Franchising Authority agrees that, notwithstanding any other provision of law, upon the written request and at the option of the Company, the Franchising Authority shall: (i) permit the Company to provide Video Services or Cable Services to Subscribers in the Franchise Area on substantially the same terms and conditions as are applicable to a VSP or CSP under the changed law; (ii) modify this Agreement to comply with the changed law; or (iii) modify this Agreement to ensure competitive equity between the Company and other VSPs or CSPs, taking into account the conditions under which other VSPs or CSPs are permitted to provide Video Services or Cable Services to Subscribers in the Franchise Area. The Franchising Authority and the Company shall implement the provisions of this Section 1.5.3 within sixty (60) days after the Company submits a written request to the Franchising Authority. Should the Franchising Authority fail to implement these provisions within the time specified, this Agreement shall, at the Company's option and upon written notice to the Franchising Authority, be deemed amended in accordance with the federal, state, or local law.

1.5.4 Effect on This Agreement. Any agreement, authorization, right, or determination to provide Cable Services or Video Services to Subscribers in the Franchise Area under this Section 1.5 shall supersede this Agreement.

SECTION 2 THE CABLE SYSTEM

2.1 The System and Its Operations.

2.1.1 Service Area. As of the Effective Date, the Company operates a Cable System within the Franchise Area.

2.1.2 System. As of the Effective Date, the Company maintains and operates a Cable System capable of providing over 250 Channels of Video Programming, which Channels

may be delivered by analog, digital, or other transmission technologies, at the sole discretion of the Company.

2.1.3 System Technical Standards. Throughout the term of this Agreement, the Cable System shall be designed, maintained, and operated such that quality and reliability of System Signal will be in compliance with all applicable consumer electronics equipment compatibility standards, including but not limited to Section 624A of the Cable Act (47 U.S.C. § 544a) and 47 C.F.R. § 76.630, as may be amended from time to time.

2.1.4 Testing Procedures; Technical Performance. Throughout the term of this Agreement, the Company shall operate and maintain the Cable System in accordance with the testing procedures and the technical performance standards of the FCC.

2.2 Requirements with Respect to Work on the System.

2.2.1 General Requirements. The Company shall comply with ordinances, rules, and regulations established by the Franchising Authority pursuant to the lawful exercise of its police powers and generally applicable to all users of the Streets.

2.2.2 Protection of Underground Utilities. Both the Company and the Franchising Authority shall comply with the Tennessee Underground Utility Damage Prevention Act (T.C.A. § 65-31-101, *et seq.*), relating to notification prior to excavation near underground utilities, as may be amended from time to time.

2.3 Permits and General Obligations.

2.3.1 The Company shall be responsible for obtaining all permits, licenses, or other forms of approval or authorization necessary to construct, operate, maintain, or repair the Cable System, or any part thereof, prior to the commencement of any such activity. The Franchising Authority shall be permitted to charge the Company, in addition to the franchise fees described in Section 4 below, a reasonable, non-recurring fee or charge for the issuance of generally applicable permits, licenses, or other approvals, which fees shall be based on the Franchising Authority's actual cost of administering such permits, licenses, or other approvals. The Franchising Authority shall make all reasonable efforts to issue permits, licenses, or other approvals within ten (10) business days after submission of a properly completed permit, license, or other approval request or application. The Company shall be solely responsible, either through its employees or its authorized contractors, for constructing, installing, and maintaining the Cable System in a safe, thorough, and reliable manner in accordance with all applicable standards and using materials of good and durable quality. The Company shall assure that any person installing, maintaining, or removing its facilities is fully qualified and familiar with all applicable standards. No third party shall be granted authority by the Franchising Authority to tamper with, relocate, or otherwise interfere with the Company's facilities in the rights-of-way without the Company's approval and supervision; provided, however, that the Company shall make all reasonable efforts to coordinate with other users of the Streets to facilitate the execution of projects and minimize disruption in the public rights-of-way. All transmission and distribution structures, poles, other lines, and equipment installed by the Company for use in the Cable

System in accordance with this Agreement shall be located so as to minimize interference with the proper use of the Streets and the rights and reasonable convenience of property owners who own property adjoining the Streets and shall be relocated in accordance with Section 2.4.1.

2.3.2 Code Compliance. The Company shall comply with all applicable building, safety, and construction codes. The parties agree that at present, Cable Systems are not subject to the low voltage regulations of the National Electric Code, National Electrical Safety Code, or other such codes or regulations. In the event that the applicable codes are revised such that Cable Systems become subject to low voltage regulations without being grandfathered or otherwise exempted, the Company will thereafter be required to comply with those regulations.

2.4 Conditions on Street Occupancy.

2.4.1 New Grades or Lines. If the grades or lines of any Street within the Franchise Area are lawfully changed at any time during the term of this Agreement, then the Company shall, upon at least ninety (90) days' advance written notice from the Franchising Authority and at its own cost and expense, protect or promptly alter or relocate the Cable System, or any part thereof, so as to conform with the new grades or lines. If public funds are available to any Person using the Street for the purpose of defraying the cost of any of the foregoing work, the Franchising Authority shall make application for such funds on behalf of the Company. The Company shall be entitled to reimbursement of its costs should any other utility be so compensated as a result of a required protection, alteration, or relocation of its facilities and funds for reimbursement are specifically made available for relocation of infrastructure. Notwithstanding the above, where such work is required to accommodate a streetscape, sidewalk, or private development project, the Company shall protect, alter, or relocate the Cable System as provided herein but shall not be liable for the cost of protecting, altering, or relocating facilities, aerial or underground.

2.4.2 Relocation at Request of Third Party. The Company shall, upon reasonable prior written request of any Person holding a permit issued by the Franchising Authority to move any structure, temporarily move its wires to permit the moving of such structure; provided (i) the Company may impose a reasonable charge on any Person for the movement of its wires, and such charge may be required to be paid in advance of the movement of its wires; and (ii) the Company agrees to arrange for such temporary relocation to be accomplished as soon as reasonably practicable, not to exceed ninety (90) days without the prior agreement of the Franchising Authority.

2.4.3 Restoration of Streets. If in connection with construction, operation, maintenance, or repair of the Cable System, the Company disturbs, alters, or damages any Street, or the Cable System causes disturbance, alteration, or damage to any Street, the Company agrees that it shall at its own cost and expense restore the Street according to the standards set forth in the Tennessee Department of Transportation's Rules and Regulations for Accommodating Utilities Within Highway Rights-of-Way. If the Franchising Authority reasonably believes that the Company has not restored the Street appropriately, then the Franchising Authority, after providing ten (10) business days' advance written notice and

a reasonable opportunity to cure, may have the Street restored and bill the Company for the cost of restoration.

2.4.4 Trimming of Trees and Shrubbery. The Company shall have the authority to trim trees or other natural growth overhanging any of its Cable System in the Franchise Area so as to prevent contact with the Company's wires, cables, or other equipment, the cost of which trimming shall not be borne by the Franchising Authority.

2.4.5 Aerial and Underground Construction. If at the time of Cable System construction all of the transmission and distribution facilities of all of the respective public or municipal utilities in the construction area are underground, the Company shall place its Cable System's transmission and distribution facilities underground. At the time of Cable System construction, in any place within the Franchise Area where the transmission or distribution facilities of the respective public or municipal utilities are both aerial and underground, the Company shall have the discretion to construct, operate, and maintain all of its transmission and distribution facilities, or any part thereof, aerially or underground; however, at such time as all existing aerial facilities of the respective public or municipal utilities are placed underground, the Company shall likewise place its facilities underground, subject to the provisions of Section 2.4.1. Company facilities placed underground at the property owner's request in any area where any of the transmission or distribution facilities of the respective public or municipal utilities are aerial shall be installed with the additional expense paid by the property owner. Nothing in this Section 2.4.5 shall be construed to require the Company to construct, operate, or maintain underground any ground-mounted appurtenances such as customer taps, line extenders, system passive devices, amplifiers, power supplies, pedestals, or other related equipment.

2.4.6 New Developments. The Franchising Authority shall provide the Company with written notice of the issuance of building or development permits for planned developments within the Franchise Area requiring undergrounding of cable facilities. The Franchising Authority agrees to require the developer to give the Company access to open trenches for deployment of cable facilities and at least thirty (30) days' written notice of the date of availability of open trenches. Notwithstanding the foregoing, the Company shall not be required to utilize any open trench. The Company shall make Cable Service available to every residential dwelling unit within the Franchise Area where the minimum density is at least thirty (30) dwelling units per mile as measured from the nearest point of connection to the Company's existing distribution cable ("qualified area"), only when the residents of at least fifty (50) percent of the residential dwelling units within such a qualified area request the Company's cable service. The Company shall begin any necessary construction within 180 days of the determination that such requirements are met. Notwithstanding the foregoing, if another CSP or VSP provides service to or has begun construction to provide service to such qualified area, the Company shall have sole discretion regarding whether to provide service to the qualified area. Subject to the density provisions above, the Company shall offer Cable Service to all new homes or previously unserved homes located within one hundred twenty-five (125) feet of the Company's distribution cable.

2.4.7 Use of Existing Poles. Where possible, the Company shall attach its facilities to existing utility poles and shall use all reasonable efforts to enter into a pole attachment agreement with the owners of such existing utility poles. The Franchising Authority acknowledges that the Company may pass through to Subscribers the costs of attaching to existing utility poles in the Franchise Area, and does not object.

2.5 Change in Franchise Area. In the event that the borders of the Franchise Area change, through annexation or otherwise, the Franchising Authority shall provide to the Company written notice of such change, including an updated map and an electronic list of all addresses in the Franchise Area. Franchise fees on gross revenues earned from Subscribers in annexed areas shall not be payable to the Franchising Authority until sixty (60) days after the Company's receipt of such updated map and electronic list of addresses, and shall not be remitted to the Franchising Authority until the next regularly scheduled quarterly franchise fee payment as provided in Section 4.1.2 below.

SECTION 3 CUSTOMER SERVICE

Customer Service. The Company shall comply in all respects with the requirements set forth in 47 C.F.R. § 76.309 and any subsequent amendments or replacement regulation or law. Individual violations of those requirements do not constitute a breach of this Agreement.

SECTION 4 COMPENSATION AND OTHER PAYMENTS

4.1 Compensation to the Franchising Authority. As compensation for the Franchise, the Company shall pay or cause to be paid to the Franchising Authority the amounts set forth in this Section 4.1.

4.1.1 Franchise Fees—Amount. The Company shall pay to the Franchising Authority franchise fees in an amount equal to five percent (5%) of Gross Revenues derived from the operation of the Cable System to provide Cable Services in the Franchise Area.

4.1.2 Franchise Fees—Payment. Payments of franchise fees shall be made on a quarterly basis and shall be remitted not later than thirty (30) days after the last day of March, June, September, and December throughout the term of this Agreement.

4.1.3 Company to Submit Franchise Fee Report. The Company shall submit to the Franchising Authority, not later than thirty (30) days after the last day of March, June, September, and December throughout the term of this Agreement, a report setting forth the basis for the computation of Gross Revenues on which the quarterly payment of franchise fees is being made, which report shall enumerate, at a minimum, the following revenue categories: limited and expanded basic video service, digital video service, premium video service, pay-per-view and video-on-demand, equipment, installation and activation, franchise fees, guide, late fees, ad sales, home shopping commissions, and bad debt.

4.1.4 Franchise Fee Payments Subject to Audit; Remedy for Underpayment. No acceptance of any franchise fee payment by the Franchising Authority shall be construed

as an accord and satisfaction that the amount paid is in fact the correct amount or a release of any claim that the Franchising Authority may have for further or additional sums payable under this Agreement. The Franchising Authority may conduct an audit no more than once annually to ensure payments in accordance with this Agreement. The audit of the Company's records shall take place insofar as practical in the Franchise Area, and in any event at a location determined by the Company that is within the State of Tennessee. The Franchising Authority is prohibited from removing any records, files, spreadsheets, or any other documents from the site of the audit. In the event that the Franchising Authority takes notes of any documents, records, or files of the Company for use in the preparation of an audit report, all notes shall be returned to the Company upon completion of the audit. The audit period shall be limited to three (3) years preceding the end of the quarter of the most recent payment. Once the Company has provided information for an audit with respect to any period, regardless of whether the audit was completed, that period shall not again be the subject of any audit.

If, as a result of an audit or any other review, the Franchising Authority determines that the Company has underpaid franchise fees in any twelve (12) month period by ten percent (10%) or more, then, in addition to making full payment of the relevant obligation, the Company shall reimburse the Franchising Authority for all of the reasonable costs associated with the audit or review, including all reasonable out-of-pocket costs for attorneys, accountants, and other consultants. The Franchising Authority shall provide the Company with a written notice of audit results and a copy of the final report presented to the Franchising Authority. The Company shall remit any undisputed amounts owed to the Franchising Authority as the result of the audit within forty-five (45) days, or other mutually acceptable timeframe, after the date of an executed settlement and release agreement.

4.2 No Limitation on Taxing Authority. Nothing in this Agreement shall be construed to limit any authority of the City to impose any tax, fee, or assessment of general applicability. The franchise fee payments required by this Section 4 shall be in addition to any and all taxes or fees of general applicability. The Company shall not have or make any claim for any deduction or other credit of all or any part of the amount of said franchise fee payments from or against any of said City taxes or other fees of general applicability, except as expressly permitted by applicable law. The Company shall not apply nor seek to apply all or any part of the amount of said franchise fee payments as a deduction or other credit from or against any of said City taxes or fees of general applicability, except as expressly permitted by applicable law, nor shall the Company apply or seek to apply all or any part of the amount of any of said taxes or fees of general applicability as a deduction or other credit from or against any of its franchise fee obligations, except as expressly permitted by law. Notwithstanding the foregoing, the Company shall not be subject to any recurring tax, fee, or assessment for the occupancy or use of the Streets.

4.3 Interest on Late Payments. If any payment required by this Agreement is not actually received by the Franchising Authority on or before the applicable date fixed in this Agreement, the Company shall pay interest thereon, from the due date to the date paid, at a rate of one percent (1%) per month.

SECTION 5 COMPLIANCE REPORTS

5.1 Compliance. The Franchising Authority hereby acknowledges that as of the Effective Date, the Company is in material compliance with the terms and conditions of the cable franchise preceding this Agreement and all material laws, rules, and ordinances of the Franchising Authority.

5.2 Reports. Upon written request by the Franchising Authority and subject to Section 631 of the Cable Act, the Company shall promptly submit to the Franchising Authority such information as may be necessary to reasonably demonstrate the Company's compliance with any term or condition of this Agreement.

5.3 File for Public Inspection. Throughout the term of this Agreement, the Company shall maintain and make available to the public those documents required pursuant to the FCC's rules and regulations.

5.4 Treatment of Proprietary Information. The Franchising Authority agrees to treat as confidential, to the maximum extent allowed under the Tennessee Open Records Act (T.C.A. § 10-7-501, *et seq.*) or other applicable law, any requested documents submitted by the Company to the Franchising Authority that are labeled as "Confidential" or "Trade Secret" prior to submission. In the event that any documents submitted by the Company to the Franchising Authority are subject to a request for inspection or production, including but not limited to a request under the Tennessee Open Records Act, the Franchising Authority shall notify the Company of the request as soon as practicable and in any case prior to the release of such information, by email or facsimile to the addresses provided in Section 10.6 of this Agreement, so that the Company may take appropriate steps to protect its interests in the requested records, including seeking an injunction against the release of the requested records. Upon receipt of said notice, the Company may review the requested records in the Franchising Authority's possession and designate as "Confidential" or "Trade Secret" any additional portions of the requested records that contain confidential or proprietary information.

5.5 Emergency Alert System. Company shall install and maintain an Emergency Alert System in the Franchise Area only as required under applicable federal and state laws. Additionally, the Franchising Authority shall permit only those Persons appropriately trained and authorized in accordance with applicable law to operate the Emergency Alert System equipment and shall take reasonable precautions to prevent any use of the Company's Cable System in any manner that results in inappropriate use thereof, or any loss or damage to the Cable System. Except to the extent expressly prohibited by law, the Franchising Authority shall hold the Company and its employees, officers, and assigns harmless from any claims arising out of use of the Emergency Alert System, including but not limited to reasonable attorneys' fees and costs.

SECTION 6 ENFORCEMENT

6.1 Notice of Violation. If the Franchising Authority believes that the Company has not complied with the terms of this Agreement, the Franchising Authority shall first informally discuss the matter with the Company. If discussions do not lead to a resolution of the problem, the

Franchising Authority shall notify the Company in writing of the nature of the alleged noncompliance (“Violation Notice”).

6.2 Company’s Right to Cure or Respond. The Company shall have thirty (30) days from the receipt of the Violation Notice, or any longer period specified by the Franchising Authority, to respond; cure the alleged noncompliance; or, if the alleged noncompliance, by its nature, cannot be cured within thirty (30) days, initiate reasonable steps to remedy the matter and provide the Franchising Authority a projected resolution date in writing.

6.3 Hearing. If the Company fails to respond to the Violation Notice received from the Franchising Authority, or the alleged noncompliance is not remedied within the cure period set forth above, the Franchising Authority’s chief administrative officer, or designee, shall schedule a hearing if it intends to continue its investigation into the matter. The Franchising Authority shall provide the Company at least thirty (30) days’ prior written notice of the hearing, specifying the time, place, and purpose of the hearing. The Company shall have the right to present evidence and to question witnesses at the hearing. The hearing shall be on the record and a written transcript shall be made available to the Company within ten (10) business days. The Franchising Authority shall determine if the Company has committed a violation and shall make written findings of fact relative to its determination and shall deliver such findings to the Company. If a violation is found, the Company may commence an action challenging the findings as provided by applicable state or federal law.

6.4 Enforcement. Subject to applicable federal and state law, if after the hearing provided for in Section 6.3, the Franchising Authority determines that the Company is in default of the provisions addressed in the Violation Notice, the Franchising Authority may

- (a) seek specific performance;
- (b) commence an action at law for monetary damages or seek other equitable relief; or
- (c) in the case of a substantial default of a material provision of this Agreement, seek to revoke the Franchise in accordance with subsection 6.5 below.

6.5 Revocation.

6.5.1 After the hearing and determination provided for in Section 6.3 and prior to the revocation or termination of the Franchise, the Franchising Authority shall give written notice to the Company of its intent to revoke the Franchise on the basis of an alleged substantial default of a material provision of this Agreement. The notice shall set forth the exact nature of the alleged default. The Company shall have thirty (30) days from receipt of such notice to submit its written objection to the Franchising Authority or to cure the alleged default. If the Franchising Authority is not satisfied with the Company’s response, the Franchising Authority may seek to revoke the Franchise through action of the Franchise Authority governing board at a public meeting. The Company shall be given at least thirty (30) days’ prior written notice of the public meeting, specifying the time and place of the meeting and stating the Franchising Authority’s consideration of revocation of the Franchise.

6.5.2 The decision of the Franchising Authority's governing board shall be made in writing and shall be delivered to the Company. The Company may appeal such decision to an appropriate court, which shall have the power to review the decision of the Franchising Authority's governing board. The Company may continue to operate the Cable System until all legal appeals procedures have been exhausted.

6.5.3 Notwithstanding the provisions of this Section 6, the Company does not waive any of its rights under federal law or regulation.

6.6 Technical Violations. The parties hereby agree that it is not the Franchising Authority's intention to subject the Company to penalties, fines, forfeiture, or revocation of the Agreement for so-called "technical" breach(es) or violation(s) of the Agreement, where the violation was a good faith error that resulted in no or minimal negative impact on the Subscribers within the Franchise Area or where strict performance would result in practical difficulties and hardship to the Company which outweigh the benefit to be derived by the Franchising Authority or Subscribers.

SECTION 7 ASSIGNMENTS AND OTHER TRANSFERS

The Franchise shall be fully transferable to any successor in interest to the Company. A notice of transfer shall be filed by the Company to the Franchising Authority within forty-five (45) days of such transfer. The transfer notification shall consist of an affidavit signed by an officer or general partner of the transferee that contains the following:

- (a) an affirmative declaration that the transferee shall comply with the terms and conditions of this Agreement, all applicable federal, state, and local laws, regulations, and ordinances regarding the placement and maintenance of facilities in any public right-of-way that are generally applicable to users of the public right-of-way and specifically including the Tennessee Underground Utility Damage Prevention Act (T.C.A. § 65-31-101, *et seq.*);
- (b) a description of the transferee's service area; and
- (c) the location of the transferee's principal place of business and the name or names of the principal executive officer or officers of the transferee.

8.1.1 Liability Insurance. Throughout the term of this Agreement, the Company shall, at its sole expense, maintain comprehensive general liability insurance, issued by a company licensed to do business in the State of Tennessee with a rating of not less than "A minus,"

and provide the Franchising Authority certificates of insurance demonstrating that the Company has obtained the insurance required in this Section 8.1.1. This liability insurance policy or policies shall be in the minimum amount of One Million Dollars (\$1,000,000.00) for bodily injury or death of any one person, One Million Dollars (\$1,000,000.00) for bodily injury or death of any two or more persons resulting from one occurrence, and One Million Dollars (\$1,000,000.00) for property damage resulting from any one accident. The policy or policies shall not be canceled except upon thirty (30) days' prior written notice of cancellation to the City.

8.1.2 Workers' Compensation. The Company shall ensure its compliance with the Tennessee Workers' Compensation Act.

8.2 Indemnification. The Company shall indemnify, defend, and hold harmless the Franchising Authority, its officers, employees, and agents acting in their official capacities from and against any liability or claims resulting from property damage or bodily injury (including accidental death) that arise out of the Company's construction, operation, maintenance, or removal of the Cable System, including but not limited to reasonable attorneys' fees and costs, provided that the Franchising Authority shall give the Company written notice of its obligation to indemnify and defend the Franchising Authority within ten (10) business days of receipt of a claim or action pursuant to this Section 8.2. If the Franchising Authority determines that it is necessary for it to employ separate counsel, the costs for such separate counsel shall be the responsibility of the Franchising Authority. Notwithstanding the foregoing, the Company shall not be obligated to indemnify the Franchising Authority for any damages, liability, or claims resulting from the willful misconduct or negligence of the Franchising Authority or for the Franchising Authority's use of the Cable System.

8.3 Liability and Indemnity. In accordance with Section 635A of the Cable Act, the Franchising Authority, its officials, employees, members, or agents shall have no liability to the Company arising from the regulation of Cable Service or from a decision of approval or disapproval with respect to a grant, renewal, transfer, or amendment of this Franchise. Any relief, to the extent such relief is required by any other provision of federal, state, or local law, shall be limited to injunctive relief and declaratory relief.

SECTION 9 PUBLIC, EDUCATION, GOVERNMENT ACCESS

9.1 Channel Capacity. The Company agrees to make available channel capacity, up to three (3) fully dedicated Channel positions, on the digital tier, to be designated for non-commercial, non-profit generating public, educational, or governmental ("PEG") access purposes. Unused time on the PEG Channel positions may be utilized by the Company subject to terms to be mutually agreed upon by the Company and the Franchising Authority.

9.2 Programming Obligations. The Franchising Authority certifies and commits to maintain eight (8) hours per week of non-duplicative original programming on each activated PEG Channel position throughout the term of the Agreement. Should the Franchising Authority fail to maintain eight (8) hours of programming per week for any period of three (3) consecutive months on any PEG Channel, the Company may reclaim that Channel position for its own use. For purposes of

this Agreement, original programming includes programming produced specifically for, about, or by the City of Murfreesboro, Murfreesboro City Schools, Rutherford County Schools, or Middle Tennessee State University. Character-generated messages, video bulletin board messages, traffic cameras, or other passively produced content shall not count towards the programming obligations of this Agreement.

9.3 Channel Positions. At any time during the term of this Agreement and at the Company's sole option and discretion, the Company may (i) change the transmission technology by which PEG access programming is delivered to Subscribers, provided, however, that the quality of PEG access programming transmitted over the Cable System to Subscribers is of a quality comparable to that which was delivered to the Company by the PEG programmer, or (ii) relocate any PEG programming to a Channel position on its lowest digital tier service delivered to all of the Company's Subscribers. The Company shall notify the Franchising Authority at least thirty (30) days in advance of such changes.

9.4 Interconnection with Other Cable and Video Service Providers. Upon written request of the Franchising Authority, the Company shall interconnect with other cable and video systems in the Franchise Area as required by T.C.A. § 7-59-309(f)(1)(A). This subsection 9.4 shall not be construed to mean that the Company is responsible for costs of said interconnection.

9.5 Ownership. The Company does not relinquish its ownership of its ultimate right of control over a Channel position by designating it for PEG access use. A PEG access user, whether such user is an individual, educational, or governmental user, acquires no property or other interest in the Channel position by virtue of the use of a Channel position so designated.

9.6 Equipment. It shall be the sole responsibility of the Franchising Authority to obtain, provide, and maintain any equipment necessary to produce and cablecast PEG programming over the Cable System. The Company shall not be responsible for obtaining, providing, or maintaining any such equipment.

9.7 PEG Support. Within thirty (30) days of the execution of this Agreement, the Company will pay to the Franchising Authority the amount of \$100,000 as a Government Access Capital Equipment Grant ("Capital Grant"). The Capital Grant shall be used exclusively by the Franchising Authority for capital costs associated with the PEG Channel positions described in Section 9.1. The Franchising Authority shall submit to the Company, as requested, a report detailing the Franchising Authority's use of Capital Grant funds during the prior calendar year. The Franchising Authority and the Company agree that the Company may pass this Capital Grant directly through to Subscribers as an individual line item in accordance with 47 U.S.C. § 542 or other applicable law and that such pass-through will not be an offset against franchise fees. The PEG Capital Grant relieves the Company from any further capital expenditures related to PEG access in the Franchise Area during the term of this Agreement.

9.8 No Liability. The Company shall have no liability, nor shall it be required to provide indemnification to the Franchising Authority for PEG programming cablecast over the Cable System.

SECTION 10 MISCELLANEOUS

10.1 Controlling Authorities. This Agreement is made with the understanding that its provisions are controlled by the Cable Act, other federal laws, state laws, and all applicable local laws, ordinances, and regulations. The rights and remedies provided in this Agreement including without limitation the rights and remedies set forth in Section 6 of this Agreement, are cumulative and not exclusive of any remedies provided by law, and nothing contained in this Agreement shall impair any of the rights or remedies of the Franchising Authority or Company under applicable law, subject in each case to the terms and conditions of this Agreement.

10.11 Severability. If any section, subsection, sentence, clause, phrase, or other portion of this Agreement is, for any reason, declared invalid, in whole or in part, by any court, agency, commission, legislative body, or other authority of competent jurisdiction, such portion shall be deemed a separate, distinct, and independent portion. Such declaration shall not affect the validity of the remaining portions of this Agreement, which shall continue in full force and effect.

10.13 Governing Law and Venue. This Agreement shall be deemed to be executed in the City of Murfreesboro, Tennessee, and shall be governed in all respects, including validity, interpretation, and effect, by and construed in accordance with the laws of the State of Tennessee, as applicable to contracts entered into and to be performed entirely within that state.
