Women's Health and Cancer Rights

In keeping with the Women's Health and Cancer Rights Act of 1998, a federal law, we would like to remind you of your rights regarding benefits for mastectomy-related services. Your contract includes benefits for certain services or supplies that relate to reconstructive surgery in connection with a mastectomy (mastectomy is surgical removal of a breast). The covered service and supplies are listed here:

- Reconstruction of the breast on which the mastectomy was performed
- Surgery and rebuilding of the other breast for a symmetrical appearance
- Prosthesis and physical complications at all stages of mastectomy
- This includes services related to treating swollen lymph glands

These benefits are subject to annual deductibles and coinsurance that apply to your contract. Please review your Evidence of Coverage for more details about these benefits and your coverage in general.

HIPAA Special Enrollment Rights

If you are declining enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your dependents' other coverage). However, **you must request enrollment within 30 days** after your or your dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

If you have a new dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. However, **you must request enrollment within 30 days** after the marriage, birth, adoption, or placement for adoption.

If you decline enrollment for yourself or for an eligible dependent (including your spouse) while Medicaid coverage or coverage under a state children's health insurance program is in effect, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage. However, **you must request enrollment within 60 days** after your or your dependents' coverage ends under Medicaid or a state children's health insurance program.

If you or your dependents (including your spouse) become eligible for a state premium assistance subsidy from Medicaid or through a state children's health insurance program with respect to coverage under this plan, you may be able to enroll yourself and your dependents in this plan. However, **you must request enrollment within 60 days** after your or your dependents' determination of eligibility for such assistance. To request special enrollment or obtain more information, contact Human Resources at 615-848-2553.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs, but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov, or call Cowan at 1-800-457-1463, for assistance.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, and you or your dependents are also eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2017. Contact your State for further information on eligibility.

NOTICE REGARDING WELLNESS PROGRAM

Go365 (formerly HumanaVitality) is a voluntary wellness program available to all employees who enroll in the medical program. The program is administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you choose to participate in Go365, you may be asked to complete a voluntary Health Assessment that asks a series of questions about your health-related activities and behaviors and whether or not you have or had certain medical conditions (e.g. cancer, diabetes, heart disease). You may also be asked to complete a biometric screening, which will include the following tests – height, weight, BMI, waist circumference, blood pressure, and a blood test assessing your cholesterol and glucose levels.

Participation in the wellness program is not required. However, if you choose to participate in the Go365 wellness program, you will receive a wellness premium credit if you complete the specified goals. Although you are not required to complete the goal, only employees who do so will receive the wellness premium credit. Goals are specified annually and wellness credits are awarded beginning each January 1. Additional incentives may be available for employees who participate in certain health-related activities and earn Go365 Bucks that can be redeemed to purchase items on the Go365 Mall.

The Go365 program offers many health-related activities to help you achieve health outcomes to earn your incentive. In addition, Go365 provides multiple reasonable alternatives and accommodations throughout the program that will enable you to achieve goals and earn your incentive. If you need further assistance with a reasonable accommodation or an alternative standard, please contact your Go365 representative at 800-708-1105. For more details on your wellness program, review the additional information included with your enrollment materials, or contact Human Resources at 615-848-2553.

Protections from Disclosure of Medical Information

We are required by law to maintain the privacy and security of your personally identifiable health information. Although the wellness program and The City of Murfreesboro may use aggregate information collected to design a program based on identified health risks in the workplace, Go365 will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the

wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individuals who will receive your personally identifiable health information are licensed clinicians, in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separate from your personnel records, information stored electronically will be encrypted, and no information you provide as part of the wellness program will be used in making any employment decision. Appropriate precautions will be taken to avoid any data breach, and in the event a data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate.

If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact Human resources at 615-848-2553.

Medicare Part D Creditable Coverage Notice

Important Notice from The City of Murfreesboro About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with The City of Murfreesboro and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The City of Murfreesboro has determined that the prescription drug coverage offered by The City of Murfreesboro Group Medical Plan is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join a Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th.

However, if you lose your creditable prescription drug coverage, through no fault own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens to Your Current Coverage If You Decide to Join a Medicare Drug Plan?

If you do decide to join a Medicare drug plan and drop your City of Murfreesboro prescription drug coverage, be aware that you and your dependents may not be able to get this coverage back.

Your current coverage pays for other health expenses in addition to prescription drugs. If you enroll in a Medicare drug plan, you and your eligible dependents will still be eligible to receive all of your current health and prescription drug benefits.

When Will You Pay a Higher Premium (Penalty) to Join a Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with The City of Murfreesboro and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice or Your Current Prescription Drug Coverage...

You will also get it before the next period you can join a Medicare drug plan, and if this coverage through The City of Murfreesboro changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook. You will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and whether or not you are required to pay a higher premium (a penalty).
