Anchored Down Aqua

This class targets everyone with an action-packed workout for the abdominal and gluteal areas. Progressive water exercises are programmed to strengthen, define, and tone!

Aqua Dance

Integrating the dance with traditional aqua fitness disciplines, the Aqua Dance class blends it all together into a safe, challenging, water-based workout that's cardio-conditioning, body-toning, and most of all, exhilarating beyond belief.

Squeaks n' Creaks

This is an arthritis-based water exercise class offering an impact-free method of exercise for affected joints and muscle groups requiring that special touch. Cardio work is not omitted from this class, making it perfect for the beginner or a back-to-fitness exerciser.
